The Approach

How did you select this vendor and what were the deciding factors?

Mike was very personable and engaged. He listened to all of our needs and worked with us for the best possible solution. It is very easy to work with Mike from Lifi.

Describe the video(s) and the process in detail, including the project steps and all stages of production.

Mike and I would communicate and meet to discuss the content of the video we wanted to create. Then we would create a strategy and schedule the shoot. Mike from Lifi Media is very creative and professional.

Who did you work with and what was the feedback process like?

We work directly with Mike from Lifi Media. Mike always listened to our needs and gives positive motivating ideas to make the video creative.

The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

Our videos have created a buzz in our community. Many people comment on the quality of the video production. We have gained followers and leads from social media.

Describe their project management style, including communication tools and timeliness.

Mike worked with our timeline and made it work with his schedule. Early morning and evenings. We would text/call/email when ever we needed to touch base. Very easy to reach Mike even after hours.

What did you find most impressive or unique about this company?

Mike's creativity and patience. He doesn't cut corners to hurry up the video shoot. He takes his time to make sure it's perfect.

Are there any areas for improvement or something they could have done differently?

Not at all. We have been very pleased with the work Mike from Lifi Media has put out for pur business. Customers love the content and it has been a very easy process with little to no interruption to our daily goals.
